

# What Is Avon Social?

Avon Social is a fantastic FREE tool available to all UK Avon Representatives, that makes Social Media EASY!

All you have to do is log into Avon Social via Avon On (or go to [uk.avon.social](http://uk.avon.social)) on a Thursday, go to Suggested Posts and schedule your whole week of posts to your Facebook Group!

## Setting up Avon Social works best on a computer!

Use a computer if you can otherwise choose the iPhone or Android guide.
